If you are a Catholic family registered at St. James Parish or would like to become a member of our parish, you will need to fulfill some expectations in order to receive the parishioner tuition rate. These expectations are in accord with the policies of the Archdioceses of Portland. In order to qualify for the parishioner subsidy, you will need to do the following:

1. Be registered at the parish office. Parish registration forms must be filled out and turned in so that you are registered and receiving envelopes.
2. Attend Mass weekly on Saturday or Sunday and be involved in parish activities. Examples of Parish activities are: serving as a lector at Masses, altar serving, being involved in music ministry, serving on a parish council, helping with Religious Education, serving as an usher, and other parish activities. Please describe your participation in parish activities for the past year:

3. Provide identifiable parish financial support by using the parish offertory envelopes. You may also use EFT (automatic withdrawal) for parish monetary support. Your weekly envelopes you will be using will have a check box to indicate that option. Please contact the parish office to begin EFT. Please describe your identifiable parish financial support for the past year:

Parish subsidies are substantial; therefore, there must be a pattern of compliance with the expectations before granting subsidies for the following year.
