Principal's Letter

Dear Saint James School Families,

Easter Greetings! I am excited to share that I will be returning to St. James School next year as principal. I look forward to working with all of you once again to support the wonderful things that make St. James an excellent choice for your child's education.

Today, we begin the month of May which means that in six weeks students will be released for summer vacation. I wanted to take this opportunity to provide some ideas for you to consider to assist your child(ren) in maintaining all the academic gains they made over this past year.

- 1. Encourage and/or expect reading time daily. The local library has some great summer programs.
- 2. Incorporate practice of math facts into their daily routines, counting or measuring around your home.
- 3. Read together about things that your child(ren) are curious about in the environment.
- 4. Make daily exercise a habit by taking walks together as a family or consider swimming as well as participating in family vacations.

In closing, remember to turn in volunteer hours you have completed this year, plan to attend the auction on May 11th, and continue to buy SCRIP to support our school.

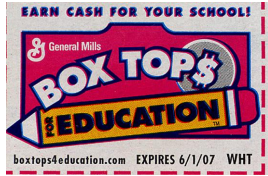

Easter Blessings!

Fundraising!

Here are some of the ways you can help the school raise money!

We have soda can and plastic bottle recycling center by the back door. Boxtops can be handed in to

Your mom does so much for you- let her know how greatly you appreciate and love her! Give her a special day, and treat her with a gift card to the spa, a nice dinner out, or with a trip to the mall.
